Evacuation Order Lifted for Residents in the Otay Lakes and Thousand Trails Area

Residents evacuated from Otay Lakes Road to Pio Pico Thousand Trails as a result of the Harris Fire will be allowed to return home today. The evacuated residents will be allowed back in to their homes at 8:00 a.m. this morning.

The fire and emergency threat to this area has been mitigated. Critical infrastructures such as roads and bridges have been assessed and evaluated. San Diego Gas and Electric have secured the utilities in this area.

Harris Fire and Law Enforcement Officials will continue to work towards getting residents back to their homes. Information will be provided on additional evacuation changes as soon as it is available.

For additional information on the Harris Fire contact Harris Fire Information Line at 619-449-1462 or visit the CAL FIRE website www.fire.ca.gov.
